**OFFICE OF THE REGIONAL ADMINISTRATOR**

Dear Mr. Spalding:

Please be advised that this office represents Plasido Cruz who was a resident at 4 Cowing Street, Boston, MA 02132 about September 2014 when Starikov AAA Properties and/or Santos Construction demolished a building located at 4803 Washington Street, directly next to Mr. Cruz's residence. The construction crew was observed throwing buckets of white powder out of a second story window, making no attempt to contain the debris. As a result, the powder permeated the air and entered Mr. Cruz's apartment.

Mr. Cruz submitted formal complaint with the Environmental Protection Agency beginning in 2014. Kindly forward to me at your earliest convenience copies of all documents pertaining to the above-named referenced matter.

Thank you for your assistance in this matter.

Very truly yours,

  
Mark D. Cooper
